article

There is saying that goes like this: *"If a man keeps an idea to himself, and that idea is taken by stealth or trickery, I say it is stealing. But once a man has revealed his idea to others, it is no longer his alone. It belongs to the world."*

In this article, I discuss what is Intellectual Property and what is the impact of insider theft of IP? Importantly, I reveal the five fallacies and misconceptions that business thinks about Intellectual Property Theft.
